LOOKING BACK

ADVOCATE

79-80

High School memories never end;
With a little reminiscing, they are quickly recalled
Like an old familiar friend:

The cafeteria where everyone congregated,
The activities in which we participated,
The teachers to whom we related,
The corridors down which we paraded,
Friends from whom we never separated.

Years later, as we thumb through our Advocates,
We read signatures saying "Keep in Touch."
We recognize different faces;
We hear again the laughter once shared.
The words and pictures become memories of these
special years.

We are the generation of the seventies:
This book is our tribute to this decade.
